"The Girl in the Shadows"

- · Has the ability to blend in with shadows, allowing her to hide her presence completely.
- Similar to the condition involving invisibility, she can control how much of her is visible at any time.
 - · Has a deep dankness in hen heant. Sometimes it emerges and engulfs her.

·She often invokes her shadow ability to hide

and read manga. Lately, she's had a tough time with boys, but is curious about nomantic nelationships between ginls (she's been neading a lot of yuri works).

READING DIRECTIONS

This book reads from *right to left*, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

SEE NO EVIL

It's not easy working at a school where the students are literally monsters, but Nurse Hitomi is always there for anyone in need. Whether it's a winged student who just can't keep her feet on the ground, a girl who eats everything she can get her hands on (including fellow students!), or a boy who has grown breasts overnight, Hitomi watches over them all with a caring eye. No matter what the problem, Nurse Hitomi is eager to help!
